A/W 2019 – 2020: The Message

Lookbook & Catalogue

**What happens in reality
does not belong to you. It does
not bind you either. Not even
your dreams. Nothing is out
of reach, as nothing has really
been determined.**

**Dreams and reality
merge completely into each
other. Neither destiny,
nor chance can make decisions
for you; your actions and
your reactions are only yours.
Dreams are like your life –
there is always something
that you, yourself can do.**
